WILLKOMMEN!

Welcome to **trendfurn**!

I'd like to introduce our expansion of our already successful **trendteam** European operations to the global marketplace through **trendfurn**.

Over the past 10 years, we've grown to over 80 employees at our corporate headquarters and over 2,000 employees in our manufacturing network worldwide.

We provide you with the most innovative designs, on time, at price, with delivery options ranging from full containers to dropshipped & landed directly to the consumer's front door.

Our fast & efficient dropshipping operations enable us to deliver to 90% of Europe & the United States, almost 1 billion people, within 3 days!

Our dedication and commitment to the furniture industry allows us to be one of the leading providers of furniture in Europe.

Design

With decades of experience, our Design Team rapidly implements innovative designs while reacting to current market conditions with a careful balance of aesthetics, materials & functionality.

**Furniture is our passion.
We initiate & develop trends.
We live & breathe creative design.**

We've also developed a leading edge technology infrastructure providing us with real-time Ecommerce reporting and the most advanced design & media production capabilities possible.

Innovation

From Ecommerce to our bespoke commercial design services for private label clients, we focus on capturing evolving trends, while demanding timeless European style and durable German engineering.

**We proudly offer both
white & private label selections
to discerning clients worldwide.**

Our strict quality control standards are carefully monitored by dedicated staff ensuring reduced rates of returns while maximizing the benefit per dollar to the customer.

Sustainability

Our focus on Sustainability & Green Planet initiatives is a priority. Our goal is to be completely FSC compliant with every product if possible. We are strongly committed to all environmental protection initiatives.

By maintaining representatives in 14 countries we are able to consistently monitor local markets and receive immediate market feedback towards product design & sustainability goals.

Our logistics & distribution systems are leading edge.

We are happy to deliver your container anywhere on the planet.

For those clients that have pre-existing logistics contracts with 3rd-party shipping companies, our container delivery options are:

- Ex Works (EXW)
- Free Carrier (FCA)
- Delivered at Place (DAP)
- Free on Board (FOB)

Please ask your sales representative for any special needs or pricing. We are happy to provide the service.

We ship over 1 Million units of furniture a year.

We minimize returns by delivering a high quality product in a heavy-weight box that far exceeds any standard requirements.

We work with all of the major package delivery options in both Europe and the United States. 90% of deliveries are within 3 days, the remaining areas are all serviced in less than 7 days.

Our delivery network delivers to 90 % of Europe & the United States within 3 days!

ALMOST A BILLION PEOPLE IN 3 DAYS!

We are Experts in Dropshipping Flat Pack.

We currently provide Ecommerce dropshipping to over a *BILLION* consumers worldwide.

We focus on immediate order fulfillment, the shortest delivery times possible, and real-time delivery tracking for the customer.
